Angela,

Let's touch base again tomorrow. Nothing should be released until I give the final go ahead. Thanks.

Hi Downey,  
Lance and I met with Ed last week regarding the documents. Ed was of the impression that the 29 pages were responsive to the request. He suggested checking whether NPS has already released the same pages. This morning NPS forwarded records that they have released to two other requesters that include some of the materials SOL proposes to release. I will review the documents this afternoon and provide a further update.

Thanks,  
Angela
